

Available Charts

Besides the Payoff graph, in the section [Charts](#) we have the histograms of profit/loss for every greek. The graph "Greeks (Evolving)" monitors in real time its course, while the graph "Greeks (History)" show the greeks history profit & loss, since the strategy was created. Lastly the graph "Greeks (Realized)" shows the realized profit & loss for every greek.

In order to have true values it is necessary that the date and the price (present in the section [Trades](#)) match the real ones
